

Crochet Block of the Month

Magpies Cottage is starting its first Crochet Block of the Month. We will meet on the fourth Friday of each month from Noon to 1. When the year is done, you will have twelve 12" blocks ready to assemble into an afghan or use any other way you want. All of the blocks will use Cascade 220 superwash wool. All patterns are free patterns on Ravelry. You can choose from two colorways; jewel tones or neutrals.

The first month you will receive 2 balls in your colorway of yarn and a copy of the pattern. The cost to get started is \$35.

Each subsequent month you will get 1 ball of yarn and a copy of the pattern. The monthly cost for months 2 -12 is \$15.

If you decide you would like to make the blocks into dishcloths, we can substitute cotton yarn, just tell us at the time of sign up.

If you cannot attend the Friday meeting, I will write up notes and include them in your kit.

You can catch up any time if you decide to start after January.

Your kit can be mailed and will contain the meeting notes for an additional \$5.

I hope you can join us. I think the results will be spectacular.
